

Trash Pick Up

Basic Procedures

- The **Blue** lid can is for trash. The **Green** lid can is for recycles. If you place the recycle can (green lid) out, on a non-recycle Wednesday, they will not empty it.
- Trash/Recycle should be placed by the roadway on Tuesday evenings. They arrive in Otterbein very early on Wednesday.
- Place the cart at the curb with the wheels away from the street. This will prohibit damage to your lid as well as leave your lid shut after emptying.
- On the night before trash (blue lid can) day, please place your cart within 4 feet of the roadway.
- Please be sure there is at least 3 feet of clearance between each cart and any other object, i.e. mailboxes, trees, vehicles, guide wires etc.
- Please do not overload your trash cart. Loose trash on top of a cart will always end up on the ground as it falls down the side of the truck while the cart is being emptied.
- For items that are too large to fit in a trash cart such as a stove, couch, washer, dryer etc. these items should be placed outside the cart and call Republic Services office 24 hours before your pick-up day. They will send a different style of truck for large items. Extra fees will apply. Pick up of these items may not be on your same service day.
